

American Waterproof Cable Tray Manufacturer

AI Overview

Leading U.S. manufacturers of waterproof and industrial-grade cable trays include Atkore (US Tray), MP Husky, and EAE USA, offering UL/NEMA-certified solutions for harsh environments. Key Manufacturers

Atkore (US Tray) Atkore's US Tray division produces made-to-order cable trays built to NEMA standards and UL-certified, including steel, aluminum, and fiberglass options. Their products include I-Beam, C-Channel, and wire basket trays, many with covers to protect against dust, moisture, and heat buildup. US Tray emphasizes customization, logistics support, and compliance with Buy America standards, making them suitable for industrial and utility applications.

MP Husky MP Husky is a long-established U.S. manufacturer of UL, CSA, and NEMA-compliant cable trays, including wire mesh/basket trays, cable bus systems, and nuclear-grade trays. Their systems are designed for high durability and reliability in demanding environments, with a focus on customer support, engineering innovation, and eco-friendly manufacturing. MP Husky has extensive experience in industrial, commercial, and utility sectors.

EAE USA EAE USA manufactures heavy-duty cable trays and ladders from pre-galvanized, electro-galvanized, hot-dipped galvanized, and stainless steel. Their products are suitable for indoor and outdoor use, including high-density cabling environments. They offer covered designs, interlocking splicing, and robotic-welded trays for maximum structural durability, making them ideal for waterproof and harsh environmental applications.

Additional Notable U.S. Manufacturers Other reputable American cable tray manufacturers include Snake Tray, Chalfant Manufacturing, PUPCO, Eaton, Legrand, and Southwire, many of which provide industrial-grade, weather-resistant, and UL/NEMA-certified cable management solutions.
