

Approximate price of a complete distribution box set

Overview

Most homes spend between \$1,000 and \$2,500 for a complete distribution box setup, including the box, trenching, and labor. You might find a small plastic unit for the price of a fancy dinner, or an industrial-grade stainless steel beast that costs as much as a compact car. This range assumes a standard 4- to 6-outlet HDPE box, 15-40 ft of trench, and midwest-to-southeast labor rates. A distribution box, also known as an electrical distribution board or panel, serves as the central hub for managing and distributing electrical power throughout a.
