

Cable tray support arm manufacturer company

AI Overview

Leading manufacturers of cable tray support arms include OBO Bettermann, Atkore International, Chalfant Manufacturing, Sunil Engineering Corporation, and HDmann. Notable Manufacturers OBO Bettermann is a long-established company specializing in cable support systems, offering a wide range of support elements, mounting accessories, and cable trays suitable for industrial installations, with a focus on efficiency, resilience, and safety. Atkore International is a global manufacturer known for its extensive portfolio of cable tray systems and support solutions, catering to construction and renovation projects worldwide. Chalfant Manufacturing provides high-quality cable tray systems, including innovative self-connecting lines and walkable tray options, with over seventy years of experience in tailored solutions. Sunil Engineering Corporation manufactures a diverse range of cable trays, including ladder and perforated types, along with accessories and junction boxes, emphasizing customized fabrication. HDmann offers steel, FRP, and wire mesh cable trays with corresponding support systems for light to heavy-duty applications, providing standard and corrosion-resistant options. Other manufacturers listed on industrial marketplaces include Ebo Systems, Electric Power Engineering, and VALDINOX, which provide specialized cable tray brackets and support arms for professional installations. Key Considerations When selecting a manufacturer, consider: Material and corrosion resistance (steel, stainless steel, FRP) Load capacity and tray type (ladder, perforated, wire mesh) Compatibility with existing cable management systems Availability of accessories and mounting solutions These manufacturers offer a range of products suitable for industrial, commercial, and outdoor applications, ensuring reliable cable support and complian...
