

Canadian Fireproof Cable Tray Manufacturer Sales

AI Overview

Leading Canadian suppliers of CSA-approved fireproof cable trays include Unitray, Code Electric, Canadian Electrical Raceways (CER), and MP Husky. Key Manufacturers and Wholesalers

Unitray Unitray is a prominent Canadian manufacturer of aluminum cable trays, offering CSA-approved Class C, D, and E trays and fittings in standard and custom lengths. Their Class E trays exceed NEMA 20C standards, providing enhanced fire resistance and load capacity. Unitray also supplies the FASTRAY® system, which simplifies installation and reduces labor costs while maintaining robust safety standards.

Code Electric Code Electric specializes in aluminum and steel ladder trays, wire mesh/basket trays, and instrumentation channels. Their products are widely used in industrial, commercial, and high-rise applications. Code Electric emphasizes rapid delivery and on-site support, ensuring that fireproof and CSA-compliant cable trays are available quickly across Western Canada.

Canadian Electrical Raceways (CER) CER has over 30 years of experience producing CSA-approved cable trays, cable ducts, floor boxes, and wire mesh trays. They focus on quality, innovation, and customer satisfaction, making them a reliable partner for fire-resistant cable management systems in Canada.

MP Husky MP Husky offers fiberglass, steel, and aluminum cable tray systems that meet or exceed CSA, NEMA, UL, and CTI standards. Their products are suitable for a wide range of industries, providing fireproof and durable solutions for electrical installations across Canada.

Considerations for Selection Material: Aluminum, steel, and fiberglass options are available, each offering different fire resistance and load-bearing properties. Certifications: Ensure CSA approval and compliance with NEMA, UL, or CTI standards for fireproof applications. Customization: Many suppliers offer custom len...
