

Canadian electrical distribution box manufacturers

AI Overview

In Canada, electrical distribution boxes are supplied by major distributors such as Guillevin, EB Horsman & Son, Gescan, EECOL Electric, and Westburne, offering brands like Eaton, ABB, IPEX, and Burndy. Key Canadian Distributors

Guillevin has been a leading electrical distributor in Canada since 1906, providing a wide range of electrical products including distribution boxes, circuit breakers, and raceways across commercial, industrial, and residential markets. EB Horsman & Son, established in 1900, serves Western Canada with quality electrical products and fast delivery, including professional-grade distribution equipment. Gescan, a division of Sonepar Canada, operates 28 branches in Western Canada, supplying electrical contractors with distribution boxes and related components for residential, commercial, and industrial projects. EECOL Electric offers professional-grade electrical products, including distribution boxes, lighting, automation, and safety equipment, with nationwide coverage. Westburne is a nationwide leader in electrical supply, carrying thousands of products including distribution boxes from top brands such as Eaton, ABB, IPEX, and Burndy, with over 100 locations across Canada.

Popular Brands Available in Canada

- Eaton – Known for durable electrical panels and distribution boxes suitable for commercial and industrial applications.
- ABB – Offers a wide range of electrical distribution solutions, including modular panels and enclosures.
- IPEX – Specializes in electrical enclosures and conduit systems for residential and commercial use.
- Burndy – Provides connectors and distribution components compatible with Canadian electrical standards.

Considerations for Selection

When choosing a distribution box in Canada, consider:

- Compliance with Canadian Electrical Code (CEC)
- Indoor vs. outdoor rating (NEMA or IP standards)
- Capacity and modularity...
