

Central Asian Standard Cable Tray Manufacturer

AI Overview

Central Asian projects often source high-quality cable trays from leading Asian manufacturers, particularly from China, Indonesia, and Indochina, offering durable, standard-compliant solutions. Leading Manufacturers and Suppliers

1. Shandong Tianhong Electric Power Technology Co., Ltd. (China) Tianhong specializes in perforated trays, cable ladders, trunking, strut channels, and fittings. Their products are suitable for power plants, data centers, commercial buildings, and infrastructure projects. They offer OEM & ODM services, powder-coated surfaces for corrosion resistance, and lightweight, easy-to-install systems for flexible industrial applications (Tianhong Cable Tray Manufacturer).
2. ApexTray (China) ApexTray provides high-quality, easy-to-install cable trays designed for challenging environments. Their products comply with ISO 9001 and UL standards, ensuring durability and global compliance, making them suitable for Central Asian infrastructure projects (Top Cable Tray Manufacturers in Asia).
3. PT Surya Cakra Mandiri (Indonesia) SCM-B Tray manufactures mild steel, stainless steel, and FRP cable trays. Their systems are corrosion-resistant and designed for industrial electrical installations, supporting heavy cable loads and long-term reliability. They emphasize proper span, strength, and working load considerations for safe installation (PT Surya Cakra Mandiri).
4. Indochina Engineering (Vietnam/Indochina region) This manufacturer specializes in high-strength cable support systems for factories, warehouses, and large-scale electrical projects. Their trays feature side rails welded with cross rungs at 200 mm intervals, allowing easy length adjustment and on-site installation without cutting, improving efficiency (Indochina Engineering).

Key Considerations for Central Asian Projects

Material Selection: Mild steel, stainless steel, and FRP are common, chosen...
