

Comoro Mesh Cable Tray Wholesale Price Inquiry

AI Overview

Wholesale mesh cable trays for Comoros typically range from \$0.80 to \$76 per unit depending on material, size, and supplier, with bulk orders offering lower per-unit costs. Pricing Overview Mesh cable trays, also known as wire basket trays, are widely used for industrial, commercial, and data center applications due to their ventilation, flexibility, and ease of installation. Global B2B marketplaces such as Alibaba and EC21 list wholesale prices ranging from \$0.80 to over \$76 per unit, depending on material (steel, aluminum, or FRP), dimensions, and load capacity. Bulk purchases typically reduce the per-unit cost, making them suitable for large-scale projects. Supplier Options European Suppliers: Brands like Legrand (Cablofil) offer high-quality wire mesh trays with easy installation and compliance with international standards. African Suppliers: Companies such as Africtrays (South Africa) and Steelworld Manufacturing (Egypt) provide durable, corrosion-resistant trays suitable for tropical climates, which may be relevant for Comoros. Global B2B Platforms: EC21 and Europages list multiple manufacturers and wholesalers that can ship internationally, including to Comoros, allowing direct contact for quotes and bulk pricing. Factors Affecting Price Material: Stainless steel and fireproof FRP trays are more expensive than standard steel or aluminum trays. Size and Load Capacity: Larger trays or those designed for heavy-duty industrial use command higher prices. Shipping and Import Costs: Comoros' island location may increase shipping costs, so sourcing from nearby African suppliers can reduce expenses. Compliance and Standards: Trays meeting IEC, ISO, or local standards may have higher upfront costs but ensure safety and durability. Recommendations Contact multiple suppliers on EC21, Europages, or regional African manufacturers to request bulk quotes. Cons...
