

Ecuadorian connector and optical cable manufacturer

AI Overview

Pacific SDGI, IncoreaCables, and LatamFiberHome are leading Ecuadorian manufacturers of optical fiber cables, offering high-quality products with international certifications. Key Manufacturers Pacific SDGI is a prominent Ecuadorian company specializing in the production and commercialization of optical fiber cables. Their plant is equipped with state-of-the-art technology, allowing them to manufacture cables under international standards such as ISO 9001, ITU-T G.652/G.657, TIA/EIA, and IEC. They produce a variety of optical cables and can provide customized solutions for specific projects, ensuring quality, durability, and compatibility for high-performance connectivity networks. IncoreaCables, founded in 2000, operates two industrial facilities in Ecuador: a production plant in Machachi and a distribution center in Quito. They manufacture electrical conductors and optical fiber cables, maintaining strict quality control through advanced laboratory equipment. IncoreaCables emphasizes personalized service and compliance with national and international technical standards, supporting the development of Ecuador's telecommunications infrastructure. LatamFiberHome designs and produces a wide range of optical cables for indoor and outdoor applications, including ADSS, Drop, and DUCT cables. The company has passed ISO 9000/140
