

Fiber optic cable in Malta

Overview

Melita dominates with the largest cable network, GO (formerly Vodafone Malta) shines in mobile, and Epic has quickly made a name for itself as a newcomer. There are also smaller providers like Vanilla Telecoms and Ozone, which often offer better service but have smaller coverage. Discover high-quality Fibre Optic cables in Malta for superior digital audio transmission. Free Delivery to Malta & Gozo. We supply a range of both indoor and outdoor fibre optic cables that have different construction types, such as tight buffer, loose tube and microcable, to suit different application types be it for direct burial, duct installation, aerial (figure-8 and self-supporting) or blown fibre applications. Network Infrastructure Design, Installations, copper and fibre termination, cable laying, testing and certification. Through our expertise we are able to design cutting-edge fibre networks tailored to meet the unique needs of your business. Leveraging our expertise in fibre-optic technology, we ensure a robust and high-performance connectivity. I would like to receive email updates from Paulson Home & Hi-Fi Centre about the latest updates and promotional offers.
