

GTA power distribution box

Overview

The LSDWP Rancho Substation in GTA V is a medium-sized electrical facility situated on Little Bighorn Avenue in Rancho, Los Santos. It serves as the main distribution substation for the southern and eastern parts of the city. Electrical substations are featured in Grand Theft Auto: Vice City, Grand Theft Auto: San Andreas, Grand Theft Auto: Vice City Stories, Grand Theft Auto IV, Grand Theft Auto: Chinatown Wars, Grand Theft Auto V. Electrical Substations are small electrical power grids featured in GTA V for the generation, transmission, and distribution of electricity. They do not have realistic functions and are just added to the game to create a sense of realism. The LSDWP Station Ten is an electrical substation operated by the Los Santos Department of Water & Power located in Vinewood, Los Santos in Grand Theft Auto V and Grand Theft Auto Online. Enjoy the videos and music you love, upload original content, and share it all with friends, family, and the world on YouTube. In GTA Online (and maybe story mode), various electrical boxes have 1.
