

German Vibration Cable Company

Overview

Inventor of the Spring-Viscodamper ® used under thousands of machines and structures worldwide, GERB supplies vibration isolation products and civil engineering of foundations for the industries you depend on. Bayka (short for Bayerische Kabelwerke AG) is a medium-sized cable manufacturer with more than 130 years company tradition. We develop and produce power cables, flexible connection cables as well as motor cables, telecommunication cables, FOC, railway cables, signalling cables, fire protection. KRAUSSE GmbH has established itself as one of the leading companies in the field of vibration and vibration isolation. Thanks to this long-standing expertise, customers benefit from in-depth knowledge and reliable solutions, even for complex. With its broad range of products, the German cable industry provides sustainable solutions for all technological questions. Essential future subjects such as smart grid, renewable energies and electromobility represent a great challenge for the industry but also reveal an enormous potential for. Initially, the company focused on the sale of wire cable isolators and the production of electrical plugs for ground power supply for aircraft and earthing plugs.

Article Content

Bayerische Kabelwerke AG (Bayka)

Innovative German cross-industry cable manufacturer from Roth near Nuremberg.
From standard to customized solutions – quality since 1885.

Top 10 Wire & Cable manufacturing companies in Germany by

Top 10 Wire & Cable manufacturing companies in Germany by number of employees for May 2024 Listed below are the leading companies in Germany by number of employees as of May 2024. With

Vibration Sensors Companies and Suppliers in Germany ...

Model VC 20 & 21 - Vibration Calibrators Quick and simple calibration and fault detection of sensors and measuring chains for acceleration, velocity and displacement .

High-quality vibration damping for industry

Manufactured at the German location, BILZ products meet the highest quality standards, offer short delivery times, and provide durable systems that comply

Vibration sensors Germany | B2B companies and suppliers | europages

237 Companies and suppliers for vibration sensors Find wholesalers and contact them directly Leading B2B marketplace Find companies now!

Vibration machines and vibration systems Manufacturer/producer Germany ...

844 suppliers for vibration machines and vibration systems Manufacturer/Producer Find wholesalers and contact them directly B2B marketplace Find companies now!
