

High-quality cable trays from Qatar

AI Overview

TransDelta International Industries, Altura Industries, Advance Line, ICMS, and Pioneer Metal Company are among the most reputable cable tray suppliers in Qatar, each offering certified, high-quality products. Leading Companies Overview TransDelta International Industries is a global manufacturer with ISO-certified cable management systems, including trays, ladders, and trunking. Their products meet international standards, and they have a strong presence in prestigious projects across Qatar and the GCC, ensuring reliability and quality service. Altura Industries is a leading local manufacturer providing cable trays, ladders, and wire basket systems designed for smooth cable installation. They specialize in GRP/FRP materials for harsh environments and are recognized for competitive pricing and high-quality products. Advance Line Cable Management System L.L.C offers a wide range of cable trays, ladders, trunking, and strut channels, fully compliant with British standards. They are ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified, with UL and QIL compliance, making them a trusted choice for industrial and commercial projects. ICMS Qatar is ISO and UL certified, with products suitable for high-temperature and technically demanding environments. Their cable trays and conduit systems are NFPA 130 certified and designed for durability, corrosion resistance, and halogen-free, low-smoke applications. Pioneer Metal Company W.L.L (PMC) is a joint venture with Turkish Kirac Metal, offering EN ISO 9001:2008 certified cable trays and support systems. They provide technical advice, value engineering, and fabrication services, supporting large-scale industrial and commercial projects. Recommendation For highly certified, globally recognized quality, TransDelta International Industries is often considered the top choice due to ISO certification, third-party testing, and extensive project experience. For local expertise and cost-effective solutions, Altura Industries and Advance Line are strong contenders. ICMS and Pioneer Metal Compa...
