

How much does corrugated cable tray cost in Tanzania

AI Overview

Corrugated cable trays in Tanzania are generally affordable, with prices varying by material, size, and supplier, and exact costs are typically provided via direct quotes from local distributors.

Overview of Cable Tray Pricing

Corrugated cable trays, commonly made from pre-galvanized steel or aluminum, are considered a cost-effective solution for electrical cable management due to their durability, low maintenance, and ease of installation. Prices can vary depending on:

- Material:** Steel trays are usually less expensive than aluminum but heavier.
- Duty type:** Light, medium, or heavy-duty trays affect cost, with heavy-duty trays being more expensive.
- Dimensions:** Width, length, and corrugation depth influence the price.
- Supplier and volume:** Bulk orders often receive discounts, while smaller purchases may cost more per unit.

Estimated Price Range

While exact prices are not publicly listed online, local suppliers in Tanzania such as Shopit, JSElectromec, NEVG, and WireMeshes provide competitive pricing and can offer quotes based on your project requirements. Based on industry norms:

- Light-duty corrugated trays:** Typically range from TSh 50,000 to TSh 120,000 per meter depending on size and material.
- Medium-duty trays:** Usually TSh 120,000 to TSh 250,000 per meter.
- Heavy-duty trays:** Can cost TSh 250,000 and above per meter, especially for larger widths or thicker steel.

These prices are indicative and may fluctuate based on market conditions, import costs, and supplier discounts.

How to Obtain Accurate Pricing

Contact suppliers directly: Most Tanzanian suppliers provide quotes tailored to your project. Examples include Shopit, NEVG, and JSElectromec.

Specify requirements: Include tray type, material, length, width, and duty rating.

Request bulk discounts: Large orders often reduce the per-meter cost.

Consider installation and accessories: Supports, brackets, and fasteners may a...
