

# Junction Box Fiber Optic Reel Terminal Box Price

## AI Overview

Fiber optic junction boxes typically range from \$10 to \$200 depending on type and capacity, while fiber optic reels vary widely based on length and material. Fiber Optic Junction Boxes Retail Prices: On platforms like Amazon, small wall-mount fiber termination boxes for single-mode or multimode cables can start around \$10-\$30 for basic 6-strand LC coupler models. Wholesale/Industrial Prices: Larger or more robust junction boxes with IP65 waterproof ratings, ABS/PC materials, and FTTH applications are priced between \$50 and \$200, depending on fiber capacity and features. Specialized Models: Rack-mounted or high-capacity terminal boxes for 48-96 fibers, or splice closures for underground and aerial installations, can cost \$100-\$300 or more, reflecting their advanced design and durability. Online Marketplaces: eBay and Made-in-China offer competitive pricing, often with bulk discounts for multiple units. Fiber Optic Reels Standard Reels: Fiber optic cable reels, used for storage and deployment, vary by cable length (e.g., 500m, 1km) and type (single-mode or multimode). Prices typically range from \$100 to \$500 for standard reels. Heavy-Duty or Large Capacity Reels: Industrial-grade reels for long-distance or high-fiber-count cables can exceed \$1,000, especially if preloaded with fiber and designed for outdoor or rugged use. Factors Affecting Price Material and Build Quality: ABS/PC enclosures, waterproofing, and UV resistance increase cost. Capacity: Number of fibers supported (e.g., 6, 24, 48, 96) directly impacts price. Installation Type: Wall-mounted, rack-mounted, or outdoor splice closures have different pricing tiers. Brand and Supplier: Established brands or certified suppliers often charge a premium, while bulk orders from wholesale platforms can reduce unit cost. For accurate budgeting, it is recommended to compare retail and wholesale sources, consider the required fiber...
