

Kuwait Electrical Distribution Box Company

AI Overview

Kuwait has several reputable suppliers and manufacturers of electrical distribution boxes, including BSICO, KEC Kuwait, EBOMAC, EPC, and ECP, offering a wide range of low and medium voltage solutions. Key Suppliers:

1. Bin Shehab International General Trading & Contracting Co. (BSICO) BSICO provides a comprehensive range of electrical products, including distribution panels, electrical boxes, enclosures, circuit breakers, and wire management solutions. They cater to industrial, commercial, and oil & gas sectors, offering reliable procurement of trusted brands in bulk quantities.
2. KEC Kuwait KEC specializes in low voltage electrical solutions and offers end-to-end services, including pre-sales design, product selection guidance, and after-sales support. They maintain local stock for quick delivery and provide maintenance services to ensure compliance with industry standards.
3. EBOMAC EBOMAC focuses on the design, manufacture, and supply of medium and low voltage switchgear, including electrical boards and cable trays. They provide customized solutions, testing certificates, and local support during the warranty period, making them suitable for industrial and commercial projects.
4. Electrical Projects Company (EPC) EPC manufactures low voltage distribution equipment, including switchboards, distribution boards, motor control centers, and feeder pillars. They emphasize high-quality fabrication, electrostatic powder coating, and compliance with industry standards, serving both industrial and residential applications.
5. ECP (Electrical Control Panels) ECP offers custom-designed control panels and distribution boards, with a focus on automation, power distribution, and process control. They provide component supply, installation, and technical support, ensuring reliable and efficient electrical distribution systems.

Additional Suppliers: Al Mustashar Al Kuwaiti Co. (MKC...)
