

Lebanese cable tray electrical manufacturer

AI Overview

Lebanon hosts several reputable cable tray manufacturers and suppliers, including SFSP Lebanon, Legrand (Cablofil), Powerline Group, and Brilltech Engineers, offering a wide range of cable management solutions. Key Manufacturers and Suppliers

1. SFSP Lebanon SFSP Lebanon produces a variety of cable trays, including ladder trays, basket trays, and trunkings, with finishes such as mill galvanized, hot-dip galvanized, and powder coated. Their products comply with local and international standards, and they also provide supports, metal framing systems, and underfloor trunking solutions for electrical installations.
2. Legrand Lebanon – Cablofil Legrand's Cablofil brand specializes in wire mesh cable trays, offering flexible and scalable solutions. Their trays feature a 90% open structure for better airflow and easier maintenance, and they are available in multiple finishes including stainless steel (304L, 316L). Cablofil trays are certified to IEC 61 537, ABS, and DNV standards, suitable for industrial, commercial, and offshore applications.
3. Powerline Group Established in 2002, Powerline Group supplies cable management systems and electrical products built to American and European standards. They serve both local and international markets, providing high-quality cable trays and related electrical products.
4. Brilltech Engineers Brilltech Engineers offers durable cable trays in galvanized steel, stainless steel, and fiberglass. Their trays are designed for optimal airflow, safety, and easy installation. They also provide design support, installation guidance, and ensure compliance with industry standards, making them a prominent manufacturer and supplier in Lebanon.

Considerations for Selection

Material and Finish: Choose trays based on environmental conditions (e.g., stainless steel for corrosion resistance).

Type of Tray: Ladder, perforated, or wire mesh depending on cable load...
