

Malaysia Factory Electrical Distribution Box Manufacturer

AI Overview

Malaysia hosts a range of reputable manufacturers specializing in electrical distribution boxes and related products, including Powerwell Group, GEB Metal Products, and Global Electrical Hardware. Key Manufacturers

1. Powerwell Group
Powerwell is a leading Malaysian company with over 25 years of experience in designing, manufacturing, and trading electrical distribution products. They offer a wide range of solutions, including low-voltage and medium-voltage switchgear, distribution boards, and customized electrical distribution systems for both local and international projects. Their expertise includes high-quality switchboards and low-voltage distribution switchboards (DBs).
2. GEB Metal Products Sdn Bhd
Located in Puchong, Malaysia, GEB Metal Products specializes in metal enclosures, cable support systems, air conditioning accessories, and cables. They are known for their precision manufacturing and reliability in supplying industrial and commercial electrical enclosures.
3. Global Electrical Hardware Trading Sdn Bhd
Based in Kuala Lumpur, this company provides electrical metal distribution boxes and a variety of hardware solutions. They serve as a one-stop destination for electrical distribution needs, offering both products and expert service.
4. KVC Electrical Distribution
KVC manufactures low-voltage distribution boxes and enclosures, catering to industrial and commercial applications. Their products are designed to meet safety and quality standards for electrical distribution systems.
5. Other Notable Manufacturers
Tenaga Cable Industries Sdn Bhd (TCI): Specializes in low and medium voltage insulated power cables, supporting electrical distribution infrastructure.
BPE Energy Sdn Bhd: Offers electrical systems and maintenance services, including replacement of obsolete panels and submarine cable solutions.
