

Multi-hole trough-type cable trays available in stock

AI Overview

You can purchase multi-hole trough-type cable trays from suppliers like McMaster-Carr, Legrand (Cablofil), Shelden Strut, Graybar, MonoSystems, and MP Husky, offering a variety of materials, sizes, and accessories. Recommended Suppliers

1. McMaster-Carr McMaster-Carr offers a wide selection of cable trays, including zinc-plated steel, aluminum, and stainless steel trough trays. Their products include straight sections, elbows, tees, and connectors, suitable for industrial and commercial installations. They provide detailed specifications for width, depth, and load capacity, and offer same- or next-day delivery options (McMaster-Carr).
2. Legrand (Cablofil) Legrand's Cablofil line specializes in steel trough trays with multi-hole designs for ventilation and cable support. They offer straight sections, 90° elbows, tees, covers, and splice kits. Cablofil trays are designed for secure cable management in data centers, industrial, and commercial applications, with options in black, white, and pre-galvanized finishes.
3. Shelden Strut Shelden Strut provides fully enclosed, solid-bottom, and perforated trough cable trays. Their products are suitable for protecting electrical, communication, or data cables, offering enhanced heat dissipation and dust/moisture protection. They also provide custom sizing and bulk purchasing options.
4. Graybar Graybar carries a broad range of cable trays and fittings, including solid-bottom, ventilated, and trough-type trays. They stock compatible accessories such as hangers, clamps, and covers, making it easy to assemble a complete cable management system for commercial or industrial projects.
5. MonoSystems MonoSystems offers trough trays and other cable management solutions tailored for hospitals, laboratories, industrial facilities, and educational institutions. Their product line includes straight sections, elbows, and tees, with inst...
