

OTDR Calibration in Malaysia

AI Overview

Several companies in Malaysia offer professional OTDR calibration services, including Kumpulan Abex Sdn Bhd, Sendi Mahir Sdn Bhd, Photonics Home, and Suntrec Solution Sdn Bhd. Key OTDR Calibration Providers

1. Kumpulan Abex Sdn Bhd Kumpulan Abex provides calibration services for OTDRs along with other optical instruments such as OPM, OLS, PON Power Meters, OLTS, Optical Return Loss Meters, Optical Variable Attenuators, and fusion splicing machines. They are an EXFO Certified Service Center, ensuring high-quality calibration and adherence to industry standards.
2. Sendi Mahir Sdn Bhd (SMSB) SMSB is a fully accredited calibration laboratory under the Laboratory Accreditation Scheme of Malaysia (SAMM) and MS ISO/IEC 17025 certified. They offer total calibration solutions with high precision and accuracy, making them a reliable choice for OTDR calibration in Malaysia. Their facility is located in Megah Industrial Park, Shah Alam, Selangor.
3. Photonics Home Photonics Home provides OTDR calibration services with certificates and test reports. They offer convenient pick-up and delivery arrangements within Malaysia. Their service includes inspection, repair, and connector replacement if needed, with a typical lead time of 2-3 days.
4. Suntrec Solution Sdn Bhd Suntrec Solution specializes in fiber characterization and OTDR testing as part of their engineering services. They provide complete fiber condition testing and advice on improving fiber optic links, which can complement OTDR calibration for network operators and large-scale fiber networks.

.Considerations When Choosing a Provider

- Certification and Accreditation: Look for ISO/IEC 17025 or SAMM accreditation for reliable calibration results.
- Service Scope: Some providers also offer repair, connector replacement, and fiber characterization.
- Turnaround Time: Lead times vary; Photonics Home offers 2-3 days for standard calibration.
- Logistics: Check if the company provides pick-up and delivery services for convenience. These companies collectively cover a wide range of OTDR...

Article Content

Engineering Service – Suntrec Solution Sdn Bhd

We calibrate, repair and offer rental services for testing & measurement equipment such as fusion splicer, OTDR, OSA, Metro & Transport Network Test Set (1G, 10G, 25G, 40G and 100G), Spectrum

Home | Premier Calibration Malaysia

Premier Calibration is a Malaysia based third party independent calibration services provider accredited by SAMM (Skim Akreditasi Makmal Malaysia). Our services cover calibration activities in both the

OLTS & OTDR Hire | Fibre Optic Tester for Rent

TechRentals offers a range of OTDR (Optical Time-Domain Reflectometer) and Fibre Inspection equipment available for rent, providing essential tools for ensuring the reliability and performance of

Calibration Service | Kumpulan Abex Sdn Bhd

Calibration defines as the accuracy and quality of measurements using a piece of equipment. We provides calibration on OPM, OLS, PON Power Meter, OLTS,

Calibration Services

Metcal Calibration is one of the largest and leading ISO 17025 Accredited calibration services laboratory in Malaysia.

Alpha Instrumentation Sdn. Bhd. | Precision Calibration Services in ...

Quality calibration, repair, and equipment supply services, backed by experienced staff, MOF registration, and SAMM ISO/IEC 17025 accreditation.

Aztel Corporation

Fiber Optic Test Gears and Telecommunication Equipment supplier in Malaysia since 1988. Our products include OTDR, power meters, splicing machines and other telecom hardware.

OTDR Calibration Service Single Mode w/o Connector Replacement

Physical inspection inclusive of optical port condition. Evaluation test after optical connector replacement. Functionality verification. Calibration service with certificate and test report generated.

Fiber Optical Time Domain Reflectometer (OTDR) Archives

Head Office: (Kuala Lumpur) Unit C-G-5, Blk C, Kuchai Exchange, No. 43, Jalan Kuchai Maju 13, Kuchai Entrepreneurs Park, 58200 Kuala Lumpur, Malaysia

OTDR Calibration Service with Connector Replacement

Calibration service with certificate and test report generated. Pick-up and delivery arrangements within Malaysia (by courier).

Welcome | G Calibration Sdn Bhd

G CALIBRATION is a leading calibration laboratory in Malaysia. We provide calibration services for a range of industries, including medical devices, semiconductor, analytical instruments, and more.

OTDR – Optical Time Domain Reflectometer

An OTDR is the optical equivalent of an electronic time domain reflectometer. OTDR is an instrument used to create a virtual u201cpictureu201d of a fiber optic cable route.

Optical Time Domain Reflectometers

Optical Time Domain Reflectometers Reliable Fiber Network Testing and Troubleshooting in the Field An OTDR locates faults and measures loss along an optical fiber by analyzing the light that reflects

Calibration & Measurement

CALIBRATION AND MEASUREMENT Accredited, Reliable and Nationwide Calibration Services SIRIM offers a comprehensive range of ISO/IEC 17025

About – Sendi Mahir Sdn Bhd

SMSB is also leading the accreditation calibration services in Malaysia with providing wide-range calibration services in Dimensional, Mass, Force, Torque, Pressure, Flow, Volumetric, Electrical,

OTDR Calibration Service Single Mode w/o Connector Replacement

Calibration service with certificate and test report generated. Pick-up and delivery arrangements within Malaysia (by courier).

Calibration Services

Ensure peak performance by calibrating all your test equipment regularly with our accredited calibration services in over 60 service locations worldwide.

OTDR Calibration Service with Connector Replacement

KABEX OTDR Calibration Service - Physical inspection inclusive of optical port condition. - Optical ferrule connector replacement. - Evaluation test after optical connector replacement. - Functionality

8 Best OTDR Fiber Optic Testing Equipment (June 2026) Expert

Discover the 8 best OTDR fiber optic testing equipment (June 2026). Our expert reviews highlight reliable, high-performance tools for accurate fiber network diagnostics and testing.

Sendi Mahir Sdn Bhd

Sendi Mahir Sdn Bhd (SMSB) Calibration Services is your 1st choice laboratory in TOTAL CALIBRATION SOLUTIONS in the South East Asia region to meet the highest standards of

Our Services – OptikPrima

OUR SERVICES Optik Prima Sdn Bhd is an Anritsu Test & Inspection Authorized Distributor in Malaysia. We can provide Calibration, Repair and Technical Support for Anritsu products. Our

Malaysia Calibration Service Labs

Calibration labs near your area. With over 50 years of experience and 3000 global customers served annually, Micro Precision Calibration is your premier choice for instrument calibration services, repair

The Role of OTDR Testing in Malaysia's Fiber Network

In Malaysia's ambitious journey toward becoming a regional digital powerhouse, the reliability and performance of fiber optic networks have emerged as critical success factors. At

OTDR Calibration: Ensuring Accurate Fiber Distance and ...

OTDR Calibration: How Accurate is Your Trace? If you are a field technician chasing a dB drop or a lab engineer certifying a network, your data is only as good as your calibration. When ...

OTDR Calibration Without Connector Replacement

Highlight PRICE INCLUSIVE OF 8% SST KABEX OTDR Calibration Service: - Physical inspection inclusive of optical port condition. - Evaluation test after optical connector replacement. -

Welcome to Calibration & Measurement Centre | Calibration

Calibration & Measurement Vitar-Segatec Sdn. Bhd. is one of the most reputable centre for calibration and measurement in Malaysia. It is accredited under SAMM ISO/IEC 17025 to perform a wide range

PhotonicsHome

PhotonicsHome is an official store and brand wholly owned by Kumpulan Abex Sdn Bhd. Kumpulan Abex Sdn Bhd is a Malaysian company that provides fiber optics test & measuring instruments,
