

Original Huijue Fiber Optic Patch Cord

AI Overview

Huijue fiber optic patch cords are high-quality pre-terminated optical cables designed for reliable interconnection in telecom, data centers, and LAN applications. Overview Huijue fiber optic patch cords are manufactured by Shanghai Huijue Network Communication Equipment Co., Ltd, a leading provider of telecom and communication products established in 2001, with headquarters in Shanghai and a large production facility in Jiangsu province . These patch cords are designed for equipment interconnection, test connections, and link extensions in optical communication systems .Types and Specifications Fiber Types: Single-mode (G652D/G657A) and Multimode (OM3/OM4) fibers .Connector Types: FC, LC, SC, and other mainstream connectors with UPC and APC polishing options .Configurations: Simplex and Duplex, supporting both single and dual fiber connections .Performance: Low insertion loss, high return loss, and excellent repeatability, ensuring stable and efficient signal transmission .Applications: Suitable for FTTH, data centers, LAN, and CATV networks .Product Features Pre-terminated for easy installation and reduced labor costs. High-quality optical fibers for minimal signal degradation. Durable construction suitable for indoor and controlled environments. Customizable lengths and connector types to meet specific network requirements .Company and Quality Assurance Huijue Network integrates R&D, technical support, and mass production, exporting products to Europe, North America, Southeast Asia, and other regions . Their production emphasizes precision assembly of optical fiber products, ensuring consistent quality and reliability .Summary Huijue fiber optic patch cords provide a versatile, high-performance solution for modern optical networks, combining multiple fiber types, connector options, and configurations to meet diverse telecom and data communication needs. They are widely used in FTTH deployments, enterprise LANs, and data center interconnections, backed by a reputable manufacturer with extensi...
