

Outdoor quick-connect fiber optic cable

Overview

OS2 and OM1-OM4 outdoor fiber optic cables with LC/LC, LC/SC, LC/ST, SC/SC, SC/ST, ST/ST connectors. Armored and tight-buffered, UV and water resistant, rated -40°C to +85°C. Fiber optic cables for outdoor applications are engineered to withstand the more demanding conditions seen outside, from environmental extremes to mechanical forces. These are the outdoor fiber optic cables you see strung along telephone poles (aerial), installed inside an underground duct, or even. Industrial-grade outdoor fiber optic cables with armor protection. Multiple configurations for long-distance transmission. Mouser offers inventory, pricing, & datasheets for Outdoor Fiber Optic Cables. Whether you're linking buildings, running broadband in rural areas, or building 5G infrastructure, the right cable matters. Unlike internal cables, where several factors are neglected, external cables are designed with the understanding that they will be.
