

Prices from Shielded Cable Tray Manufacturers

AI Overview

Shielded cable tray prices vary widely, typically ranging from \$0.80 to over \$76 per meter depending on material, type, and order volume. Overview of Pricing Shielded cable trays are available in stainless steel, galvanized steel, aluminum, and FRP/GRP composites, with prices influenced by material durability, corrosion resistance, and application environment (industrial, offshore, or data centers) (Shielden). B2B bulk pricing: Industrial-grade trays for large projects can range from \$0.80 to \$76 per meter, depending on material, size, and customization options (Accio). B2C or smaller-scale purchases: Consumer-oriented trays, such as under-desk or home office solutions, are priced between \$15 and \$34 per unit, with wholesale options as low as \$0.92 (Accio). Specialty trays: Prefabricated or modular systems, including plastic optic fiber trays, can cost around \$1 per meter, ideal for sensitive IT environments (Accio). Factors Affecting Price Material Type: Stainless steel and aluminum are more expensive due to corrosion resistance and strength, while FRP/GRP composites offer fireproof and lightweight alternatives. Tray Design: Ladder, perforated, wire mesh, solid bottom, and channel trays have different manufacturing costs. Perforated designs improve airflow but may increase price. Customization: Tailored solutions for specific project dimensions or load requirements can raise costs. Market Trends: Fluctuating steel and aluminum prices, supply chain delays, and demand from data centers or renewable energy projects can affect pricing (Accio). Installation Efficiency: Modular and pre-engineered trays reduce labor costs, indirectly affecting total project expenditure. Supplier Examples Shielden: Offers a wide range of shielded cable trays with corrosion and fire resistance, suitable for industrial, commercial, and offshore applications (Shielden). Alibaba: Provides bulk options with competitive pricing for B...
