

Singapore Aluminum Alloy Fireproof Cable Tray Price

AI Overview

Aluminum alloy fireproof cable trays in Singapore typically range from SGD 20 to SGD 150 per piece, depending on size, length, and customization options.

Price Overview

Retail Platforms: On Lazada.sg, aluminum cable trays are available at competitive prices, often starting around SGD 20-50 for standard lengths and basic designs.

Specialized Suppliers: Shopee listings for self-adhesive, fireproof aluminum alloy trays indicate prices vary with length and features, such as snap-on installation and flame-retardant coatings.

Industrial Suppliers: Companies like Foresight Metal Engineering Pte Ltd provide high-quality, durable aluminum alloy cable trays for commercial and industrial projects. Prices for these premium or customized solutions can range from SGD 100-150 or more per tray, depending on specifications and load capacity.

Bulk/Custom Orders: Suppliers on Alibaba offer customizable lengths, anodized finishes, and high-strength aluminum alloy trays suitable for long-distance cable laying, with prices negotiable based on order volume and specifications.

Key Features Affecting Price

Material Quality: High-strength aluminum alloy ensures durability and fire resistance, which increases cost.

Length and Size: Standard lengths (100-150 cm) are cheaper, while custom lengths or larger side rail heights (up to 1000 mm) cost more.

Surface Finish: Anodized or anti-corrosion coatings enhance longevity and add to the price.

Installation Type: Self-adhesive or snap-on designs reduce labor costs but may slightly increase unit price.

Load Capacity: Trays designed to support heavier cable bundles (up to 100 kg) are priced higher.

Supplier Options in Singapore

Foresight Metal Engineering Pte Ltd: Offers a wide range of metal cable trays, including fireproof aluminum alloy options, with customization and technical support for industrial and commercial projects.
