

Source of Italian Stainless Steel Cable Trays

AI Overview

Leading Italian manufacturers of stainless steel cable trays include Schiavetti Tekno, SITIE, FEMI-CZ, and Steel Line CMS, offering high-quality, customizable solutions for industrial and infrastructure projects.

Key Italian Manufacturers

Schiavetti Tekno (Spina Group) Schiavetti Tekno, part of the Spina Group, has been producing cable trays since 1964. They offer stainless steel, galvanised, and wire cable trays in various types, including ladder, perforated, closed-bottom, and wire-mesh trays. Their products are designed for strength, corrosion resistance, and long-term performance, suitable for energy, infrastructure, and industrial plants. Custom sizes, such as 300 mm trays, and compatibility with Unistrut systems are available. All products comply with EN and UL standards, and technical support is provided for design, testing, and installation.

SITIE Founded in 1945 in Ferrara, SITIE specializes in industrial installations and plant automation. They manufacture stainless steel cable trays and other materials like Hot-Dip Galvanized Steel, Sendzimir, and aluminium. SITIE emphasizes robustness and compliance with stringent standards, particularly for the Oil & Gas, chemical, pharmaceutical, and food sectors. Their production plant allows for customized solutions, including specific material thicknesses and dimensions, with full documentation and certification support.

FEMI-CZ FEMI-CZ produces metallic cable tray systems, including solid bottom, ladder, and mesh trays. They focus on customized solutions for large plants, particularly in transport, energy, and oil & gas sectors. Their ladder trays support medium to large section cables with high load capacities, and their mesh trays provide lightweight, ventilated, and easy-to-install solutions. FEMI-CZ also offers specialized products for the naval sector and integrates GRP components from EBO SYSTEMS for Italy.
