

Uruguay Switch Box Manufacturer

AI Overview

Uruguay has several switch box manufacturers and suppliers, including PILANER S.A. and ILAUT SYSTEMS, with trade data available for export and distribution. Key Manufacturers and Suppliers: PILANER S.A. – A recognized manufacturer and supplier of electrical switches and switch boxes in Uruguay, serving both domestic and international markets. ILAUT SYSTEMS – Another local company providing switch solutions, including domestic and industrial switch boxes. Solution Box Uruguay – While primarily a distributor of technology and telecom solutions, they also offer electrical and connectivity products, which may include switch boxes. Trade and Export Insights: Uruguay exports electrical switch boxes, with recorded shipments totaling approximately 5,365 units to 971 buyers as of August 2025. Platforms like Trademo and TradelmeX provide detailed databases of manufacturers, suppliers, and exporters, including shipment volumes, trade partners, and contact information, which can help identify reliable suppliers. How to Identify Reliable Suppliers: Use Verified Trade Platforms – Access databases like TradelmeX or Trademo to find verified manufacturers and exporters with shipment histories. Assess Trade History – Review export volumes, frequency, and consistency to gauge reliability and market presence. Direct Contact – Reach out to companies like PILANER S.A. and ILAUT SYSTEMS for product catalogs, pricing, and technical specifications. By leveraging these resources, businesses can identify reputable switch box manufacturers in Uruguay and establish supply chain connections for both domestic and international needs.
