

What are some Swiss optical fiber cable steel wire manufacturers

AI Overview

Notable Swiss manufacturers of fiber optic cables, including steel wire-reinforced types, include HUBER+SUHNER, Contrik AG, Optonet AG, and Kabelwerke Brugg AG. Key Manufacturers HUBER+SUHNER HUBER+SUHNER develops and produces high-quality fiber optic cables for communication, transportation, and industrial markets. Their product range includes cables designed for outdoor and high-tension applications, which often incorporate steel wire reinforcement for added mechanical strength and durability. Contrik AG Contrik AG specializes in high-quality fiber optic cables and connectors, serving the entertainment, broadcasting, and media technology sectors. They collaborate with partners to develop innovative solutions, including robust cables suitable for demanding environments. Optonet AG Optonet AG manufactures a variety of fiber optic cables and components for telecommunications and ICT networks. Their offerings include both passive and active fiber optic products, with options for reinforced cables suitable for long-distance or aerial installations. Kabelwerke Brugg AG Kabelwerke Brugg AG provides a comprehensive range of fiber optic cables, including those with steel wire reinforcement for outdoor and high-voltage applications. They also supply low-voltage and power cables, making them a versatile supplier for infrastructure projects. Additional Notable Companies Diamond SA: Specializes in precision fiber optic interconnects and components, suitable for high-performance applications. Sercalo Microtechnology Ltd.: Offers high-reliability fiber optic switches and attenuators, complementing cable systems. DATWYLER: Provides fiber network solutions and IT infrastructure products, including cabling systems. DRAHTEX AG: Focuses on telecommunication and low-voltage cabling, including FTTH and FTTB fiber optic sol...
