

# What are some fireproof cable tray companies in Belgium

## AI Overview

Belgium has several specialized suppliers and manufacturers of fireproof cable trays, including Trayco, Brilltech Engineers, and Vergokan, offering high-quality, compliant solutions.

**Key Suppliers and Manufacturers**

- Trayco** – A Belgian company producing and optimizing cable trays, mesh trays, and cable ladders. They provide tailored solutions and installation guidance, ensuring compliance with fire safety standards and efficient cable management.
- Brilltech Engineers Pvt. Ltd.** – Offers durable cable trays made from galvanized steel, stainless steel, and fiberglass. Their products are designed to protect cables from physical damage, environmental hazards, and fire risks. They also provide consultation, system design, and installation support.
- Vergokan** – An independent Belgian company producing standard and custom cable support systems, including fire-resistant trays suitable for industrial and commercial installations.
- MARIS** – Specializes in fixed electrical installations, including cable trays, grounding, and lightning protection, with expertise in high-voltage and fireproof systems.
- NV Elektro Cappoen** – Provides industrial electrical installation services, including cable tray installation with fire-resistant options.

**Considerations When Choosing a Supplier**

- Material:** Fireproof cable trays are typically made from galvanized steel, stainless steel, or fiberglass, which resist high temperatures and corrosion.
- Compliance:** Ensure the supplier adheres to Belgian and European fire safety standards.
- Customization:** Many suppliers offer custom sizes and configurations to fit specific project requirements.
- Support Services:** Look for companies that provide installation guidance, system design, and maintenance support.
