

# What are some network cabinet factories in Peru

## AI Overview

Some notable network cabinet manufacturers and suppliers in Peru include CabiNET, STIP, and Pana Compu, offering a range of data center and communication cabinets. CabiNET is a Peruvian brand with over 15 years of experience in the market, specializing in network cabinets, PDUs, power outlets, and data center accessories. They collaborate with international factories such as Ningbo Matrix Electronics Co. Ltd and Ningbo HI-TECH Zone Webit Telecommunications Equipments Co. Ltd, ensuring high-quality production standards. Their products are certified under ISO9001, ISO14001, and occupational health standards, making them suitable for hospitals, universities, and government projects across Peru. STIP offers a variety of floor and wall-mounted cabinets, both national and imported, under brands like Toten, StipNet, Quest, and Cabinet. Their floor cabinets range from 22 to 47 RU in height, with widths of 60–80 cm and depths of 80 cm to 1.1 m. Wall-mounted cabinets are available in sizes from 4 to 27 RU, with options for fixed or swing doors, and front panels made of tempered glass or perforated metal. STIP provides flexible solutions for both small and large-scale network installations. Pana Compu supplies network racks and cabinets in Lima, Peru, featuring brands such as Forza and Nexxt Solutions. They offer online ordering with same-day delivery in Lima, although their operations are temporarily paused for warehouse relocation, expected to resume in the second half of 2026. Their product range includes cabinets suitable for data centers, server rooms, and IT infrastructure projects.

**Additional Considerations** When selecting a network cabinet manufacturer in Peru, consider:

- Certifications and quality standards (ISO, safety, and environmental compliance)
- Customization options for size, material, and ventilation
- Local support a...
