

Where can I find explosion-proof electrical distribution boxes in Nigeria

AI Overview

You can find ATEX and IECEx-certified explosion-proof electrical distribution boxes in Nigeria from suppliers like Industry Safety Nigeria, Fairtex Group, Tranos, and Hexlonex. Recommended Suppliers

1. Industry Safety Nigeria Industry Safety Nigeria offers a wide range of ATEX-certified explosion-proof equipment, including junction boxes, enclosures, control stations, and cable glands suitable for Zone 0, 1, and 2 hazardous areas. They serve industries such as oil & gas, petrochemicals, mining, and chemical processing. They provide technical support, fast nationwide delivery, and bulk procurement options. Contact: 08064338888, 09134151806, WhatsApp: 09093333374, Email: sales@safetynigeria.com, Website: .
2. Fairtex Group Fairtex specializes in explosion-proof and ATEX products, offering OEM design and manufacturing for hazardous environments including chemical, petrochemical, pharmaceutical, and oil & gas facilities. They provide solutions for both onshore and offshore plants, refineries, and marine industries, including highly corrosive environments .
3. Tranos Tranos supplies ATEX junction boxes and enclosures made from copper-free aluminium alloy or stainless steel, compliant with IEC, EN, NEC, UL, and CSA standards. They offer customizable cable entries and component installation options, suitable for Zone 0, 1, 2, 21, and 22 hazardous areas .
4. Hexlonex Hexlonex provides durable explosion-proof distribution boxes and electrical enclosures, certified under IECEx and ATEX for Zone 1 and Zone 2 applications. Their products are designed for industrial safety and compliance in hazardous locations .

Additional Options You may also find explosion-proof boxes for sale on online marketplaces like Jiji Nigeria, which lists various models and prices, though certification and compliance should be verified before purchase .

Tips for Selection Ensure the product is ATEX or...
