

Where to buy Nordic optical cables

Overview

Nordost cables should only be purchased from authorized Nordost dealers, as listed on our Where to Buy page. We at Norsk Fiberoptikk help customers find the most suitable cable for the right area of use. The correct cable for the right environment For Norwegian fiber optics. This NÖRDIC HDMI AOC cable meets all the technical specifications defined in the HDMI organization's program, including resolution up to 8K in 60Hz, 4K in 120Hz, bandwidth up to 48Gbps, support for 100Mbit/s Ethernet, Dynamic HDR, support for up to 32 separate audio channels at 48 kHz each, support. In Step Index (SI) fibers, core and cladding feature fixed refractive indices with the index of the core always higher. This results in a step index profile. Hollow quartz glass capillaries with a mirrored inside for the transmission of IR wavelengths are ideal for use in CO₂ and Er:YAG lasers. Please be aware that attempts to counterfeit our products may appear. Navigator Nordic delivers optical transceivers, components and data center solutions for the Nordic market, with expert support, fast service and lifetime warranty.
