

Where to find good fiber optic connectors in Bolivia

AI Overview

Key suppliers of fiber optic connectors in Bolivia include Bolcompany Ltda, VICOM Bolivia, and various importers listed in trade directories. Major Suppliers Bolcompany Ltda is a leading supplier of fiber optic network materials in Bolivia, offering a wide range of connectors, cables, and customized solutions. They represent international brands, maintain large stock in Cochabamba, and provide technical support through certified engineers for corporate clients and specialized projects. VICOM Bolivia specializes in fiber optic solutions, supplying high-quality materials from recognized international brands such as Furukawa, Huawei, and Corning. They provide connectors, fiber cords, splice closures, termination trays, and other network components, along with services including network construction, quality control, certification, and final reporting. Importers and Trade Directories Bolivia also has several importers and distributors of fiber optic connectors, which can be found through trade databases and directories. These include companies that import connectors in bulk and supply them to telecom operators, cooperatives, and regional service providers. Platforms like Export Genius and Global Suppliers Online provide verified lists of these importers, including shipment details and business contacts. Summary For businesses seeking fiber optic connectors in Bolivia, Bolcompany Ltda and VICOM Bolivia are prominent suppliers with technical expertise and international brand representation. Additionally, trade directories and import databases offer access to a broader network of importers and distributors, enabling procurement of specific connector types and quantities.
