

Which companies manufacture lighting distribution boxes

AI Overview

Key manufacturers of lighting distribution boxes include Hager, Meba Electric, Eaton, Hensel Electric, MaxLite, MK Electric, Element 3, Surewire, Flex7, Projoy Electric, and Interact Power. Lighting distribution boxes are essential for controlling, protecting, and distributing electrical energy in low-voltage systems, widely used in buildings, industrial sites, and public spaces. They typically include components such as isolating switches, circuit breakers, busbars, and protective grounding systems, and are designed for various applications including residential, commercial, and stage lighting.

Leading Global Manufacturers

- Hager:** Offers a broad range of residential and commercial distribution boxes with strong global presence.
- Meba Electric:** Known for reliable low-voltage distribution solutions.
- Eaton:** Provides advanced electrical distribution systems with safety and efficiency features.
- Hensel Electric:** Specializes in modular and weatherproof enclosures for industrial and commercial applications.
- MaxLite and MK Electric:** Focus on energy-efficient and modular designs suitable for various building types.
- Element 3, Surewire, Flex7:** Offer innovative solutions with smart monitoring and modular integration.

Notable Regional and Specialized Manufacturers

- Projoy Electric Co. Ltd.:** A Chinese company specializing in DC isolation switches, MCBs, surge protectors, and smart electrical meters, with a focus on safety and custom solutions.
- Interact Power Inc.:** Provides custom RackMount power distribution equipment with rapid development cycles and high reliability.
- PowerGrid Solutions Ltd. (Germany), VoltMaster Industries (China), CircuitSafe Systems (Switzerland), and CurrentFlow Technologies (USA):** Known for precision engineering, cost-efficient solutions, explosion-proof designs, and innovative connection systems for industrial and hazardous environments.
