

Which manufacturers in the Democratic Republic of Congo import optical cables for smart buildings

AI Overview

Key importers of optical cables in the DRC include Bandwidth and Cloud Services DRC SA, Tenke Fungurume Mining AV, and Airtel Congo RDC SA, among others.

Overview of Optical Cable Imports In 2024, the Democratic Republic of Congo imported approximately \$5.09 million worth of optical fibres and cables, primarily from China (\$2.39M), India (\$1.08M), and South Africa (\$798k), with smaller imports from Kenya and Germany . These imports are essential for smart building infrastructure, telecommunications, and industrial applications.

Major Verified Buyers According to Volza's trade analytics, 93 verified buyers imported fiber optic cables between June 2024 and May 2025, with 28 buyers remaining active, indicating sustained sourcing intent . The top importers include: Bandwidth and Cloud Services DRC SA - accounted for 25% of total imports with 7 shipments . Tenke Fungurume Mining AV SIEGE DE - also responsible for 25% of imports with 7 shipments . Airtel Congo RDC SA (formerly Celtel AV) - held an 11% share with 3 shipments . These companies are involved in telecommunications, mining, and industrial sectors, which often require optical cables for smart building and network infrastructure.

Other Notable Importers Additional companies active in importing optical cables include industrial suppliers and distributors such as ENGELEC-RDC Sarl, which provides procurement and logistics services for mining and industrial sectors, including electrical and cabling equipment . ENGELEC-RDC Sarl works with international OEMs and has experience supplying large-scale projects, making it a key player for smart building installations.

Import Sources and Trends The fastest-growing sources of optical cable imports into the DRC are In...
